EEG Base Grant Information

Eligibility

While equipment categories and brands/models have been pre-approved, it does not mean participating agencies are recommending or endorsing any vendors. Companies are strongly encouraged to carry out due diligence when engaging vendors, and not share your Corppass with them to carry out submission of any grant applications or claims.

Once an application has been submitted, companies may choose to proceed to purchase the equipment before the application outcome. However, companies will not be able to claim subsequently if the application is unsuccessful.

Additional information

Your Application should take about 30 minutes, with complete information on hand. You will need:

- Quotations from your vendor
- Product Brochures
- Tenancy Agreement or Contractual Agreements related to the deployment location(s), utility bills, telco bills

- **Company Profile**
 - Verify your company details, business activity, officers/agents, shareholding details, which were extracted from ACRA
